the re-appearance of the yellow the heart of the city. This time s is again felt at Gallipolis, hand on the steamer Porter. It is no known that the others had been in the vicinity of the ill-fated boat. Some fami lies have left the city, and although no great excitement prevails, yet others will doubtless take the same precaution. The weather last night was cool and hopes were entertained that frost would appear, but advices this morning state that there was no frost.

MEXPRES, September 27.—It is growing arm again, and the fever continues to warm again, and the fever continues to spread. Scarcely an hour passes but what some well known citizen is reported taken down, and as they fall, owing to the ma-lignancy of the disease, lears are enter-tained that they will succumb to the pesti-lence which still remains a devouring mon-ster in our midst. ster in our midst esterday noon until noon to-day

AT BATON ROUGE. AT BATON BUGE.

BATON ROUGE, September 27.—A lull yesterday morning gave hope that the fever was decreasing. This morning, however, the situation is again threatening, many persons were taken down during the night and this morning; a number of cases reported as being dangerously ill. The Howard books show about 150 nurses actively employed. As the epidemic progresses increasing want and destitution developes. We can't give any favorable news to-day. Our telegraph operajors, developes. We can't give any lavorance, news to-day. Our telegraph operators, Messra. Flippin and Young, are doing their duty manially and deserve great praise for their faithful performance of

F FEVER CARD FROM LOUISVILLE.

LOUISVILLE, Ky., September 27.—At a meeting of the Board of Health to-day the following was adopted: To the People of the United States : 114.11

Rumors of a nature, highly exciting and prejudicial to our city, having been spread all over the country as to the yellow fever being in an epidemic form in the city of Louisville, we deem four duty to announce and the city of the cit

we affirm sacreally that while there may have been several instances of yellow fever of an indigenious character, even upon this, there has been the greatest diversity of opinion among our most prominent and able physicians, nor has there been any last. We may be physicians, nor has there been any last. We may be provided the method of the property of the work of their respective associations and the method of the property of the property of the benevolent associations. able physicians, nor has there been any specific association new cases since Monday last. We have already had several frosts, and supplying them. with our city never in so except healthy condition, we have no

tief shiptived has that the books of the clearer of more give on proceeding of the New York, Jacob Part of the New

and 11 deaths. To-day the number of new cases is 18 and deaths 5. After hav-ing re-counted five different times the re-lief committee yesterday numbered only one—Drs. Manning, of Austin, Tex., Lewis, of Denison, Tex., and Tennils of this place, lost their lives while fighting this dreadful yearings. Drs. Securit. of Louistans, and of Denison, Tex., and Tennils of this place lost their lives while fighting this dreadful scourge. Drs. Seguin, of Louistana, and Shekdon, of the Cart Get Away Club of Mobile, and Drs. McKee, Daniels, D'Eancy and West, of this place, have had the fever and are all convalescing. Drs. McKee and Seguin have already resumed their work, and the others will soon follow. Dr. John Rose, of Clarksville, Tenn. a surgeon in the U. S. navy, and absent on leave, volunteered his services, and is here in this death spot working day and night.

leave, volauthered his services, and is here in this death spot working day and night. Charles Walker, of Hartford, Conn., who came here under the auspices of the Y. M. C. A. of New Orleans, discharged his duty like a true Christian, and the last thing he did before he fell was to make a wreath to place on the grave of Sister Stella of Bethl hem Acanemy, whose character was as peaceful as a Christian's could be. Walker has every attention bestowed upon him and his life will be saved if human efforts can do it.

Thus ends the chapter, and we look for to-morrow with anxiety inexpressibly keen. I would be glad if you would state to the thousands who have so generally contributed to our wants, that due ac-

ntributed to our wants, th there now who has been in the office more than two days. Every morning vacancies tell the story that letters and telegrams must go unanswered.
[Signed] W. J. L. HOLLAND,

[Signed] Chairman Relief Comn BAD EFFECT OF THE HOWARD ANNOUNCEMENT

New Orleans, September 27. - Thos. Layton, Treasurer of the Catholic Relief Association, remitted to St. George's Sothe society would have been compelled to stop issuing supplies to the poor, their funds being exhausted. The late notice of the Howard Associa-

ion that they did not want any further assistance for themselves caused control-tions to St. George's and other societies in the country and abroadle stop. Aid is still urgently solicited for St. Georges, the French Relief Society, the Young Men's Christian Association and the Hebrew Benevolent Association.

VICKSBURG, September 27. — Weather warm and cloudy. Mercury 93°. The fever is increasing again, which is caused by refugees from the country returning to Vicksburg. The fever is so general throughout Warren county that the refugees prefer coming back to Vicksburg rather than remain in the country where proper treat.

not a case, there is now 70 or 80 cases. The fever has also broken out at Edward's Smith's and other stations between thi smin's and other stations between this point and Meridian, where they have here tofore had no fever. Appeals have also reached us from Goodrich, Henderson and other points along the line of the Mississippi river between here and Greenville.

28 deaths have occurred; 12 of these were reported this morning.

in the the most positive and emphat manner that such statements are taise and unchristian attempts to hister, commercially, a people who have tried to do their full duty to our suffering. Southern brethern. As public custodians of the health of the City of Louisville and with a conscientious sense of the weight of responsibility, we affirm sacredly that while there may have been several instances of yellow fever.

fer coming back to Vicksburg rather than remain in the country, where proper treatment is so difficult to obtain. Deaths, 14.

The following explainalistel!:

Vicksburg, September 27.—We regret to say that the fever is gaining dreadful headway at all the surrounding points and we are hourly called upon for assistance in money, medicines, food, doctors and nurses, and we must again appeal to the world to aid us in alleviating their wants.

We are doing all in our power to assist
